

FRESHEN DRINKS

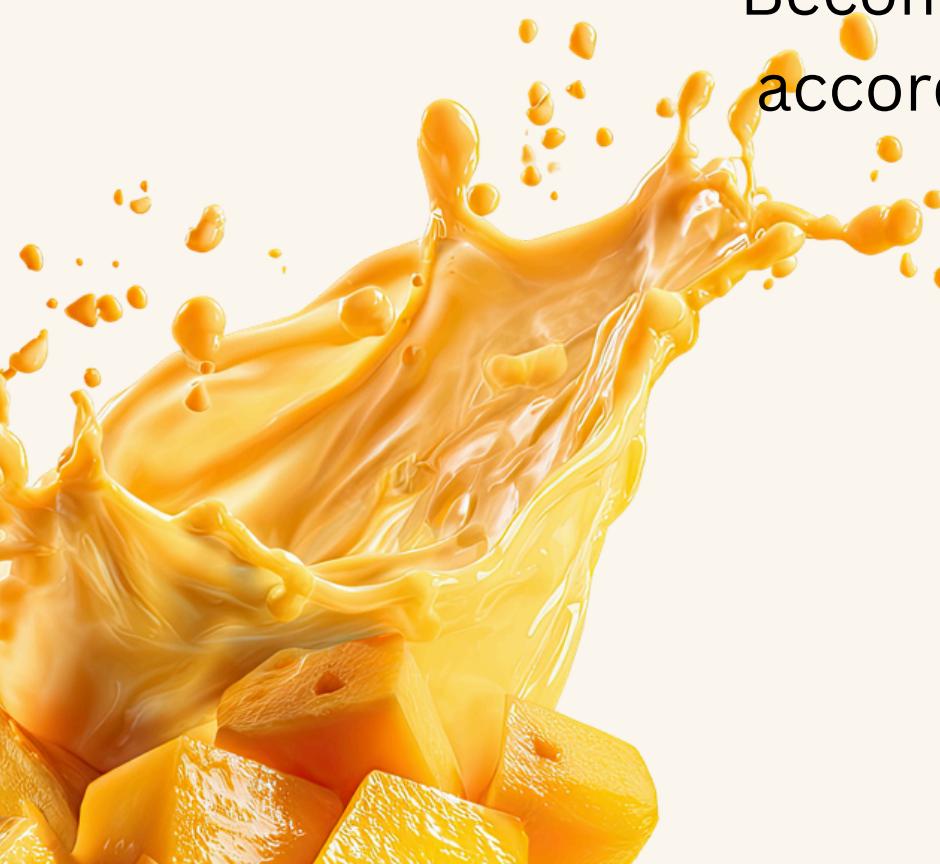

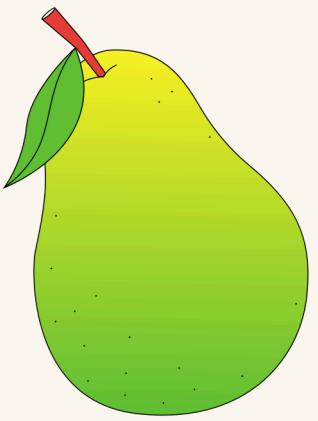

Our Company

- Freshen Drinks was founded in 2015, a premium brand under SHRI KRISHNA FRUIT PROCESSORS (P) LTD which is synonymous with purity, health, and excellence.
- We have partnered with Mistrava Global Pvt. Ltd. in 2025 for looking after and expanding our reach to buyers globally.
- Our brand, Freshen Drinks, initially started with the coverage of 100 team members and with the sorts of many juice flavors that are now served in different parts of India have a range of twelve juice flavors.
- All enriched with natural ingredients and packed with nutritional value with over 200 employees across all divisions.

Our mission

- Our mission is to provide the best tasting, all-natural beverages that are a goldmine of health benefits. Through consistent innovation and dedication, we have successfully captured a leading position in the beverage market.
- Our fruit beverages have their strong presence in India. The fresh and the best of the fruits is important for making our pure juices.
- Become a leading brand in providing customised solutions according to the need of our esteemed clients.
